DESCRIPTION OF DEBT SECURITIES

The Debt Securities will be general unsecured obligations of the Company. The Debt Securities will be issued either as Senior Debt Securities or as Subordinated Debt Securities. Both Senior Debt Securities and Subordinated Debt Securities may be issued as convertible Debt Securities ("Convertible Debt Securities") which, unless previously redeemed or otherwise purchased, will be convertible into shares of the Company's common stock, par value \$.50 per share (the "Common Stock").

The Senior Debt Securities are to be issued under an Indenture dated as of January , 1998 (the "Senior Indenture") between the Company and a banking institution, as trustee. The Subordinated Debt Securities are to be issued under an Indenture dated as of January , 1998 (the "Subordinated Indenture") between the Company and a banking institution, as trustee. In this Prospectus, the Senior Indenture and the Subordinated Indenture are sometimes collectively referred to as the "Indentures" and individually as an "Indenture," and the trustees thereunder are sometimes collectively referred to as the "Trustees" and individually as a "Trustee."

The following description of the terms of the Indentures and the Debt Securities sets forth certain general terms and provisions of the Indentures and the Debt Securities to which any Prospectus Supplement may relate. The terms of any particular series of Debt Securities offered by any Prospectus Supplement (the "Offered Debt Securities") and the extent, if any, to which such general provisions may apply to the Offered Debt Securities will be described in the Prospectus Supplement relating to such Offered Debt Securities. The following summaries of certain provisions of the Indentures do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all provisions of the Indentures, including the definitions therein of certain terms. Wherever particular sections or defined terms of the Indentures are referred to, such sections or defined terms shall be incorporated herein by reference. The Indentures are substantially identical, except for certain covenants of the Company applicable to the Senior Indenture and provisions relating to subordination. See "Provisions Applicable Solely to Senior Debt Securities" and "Provisions Applicable Solely to Subordinated Debt Securities." Certain terms defined in the Indentures are capitalized herein, and particular section numbers refer to sections in the Indentures.

The Debt Securities will be obligations exclusively of the Company. Because significant operations of the Company are currently conducted through subsidiaries, the cash flows of the Company are dependent in part upon the cash flows of such subsidiaries and the availability of those cash flows to the Company. In addition, the payment of dividends, distributions and certain loans and advances to the Company by its subsidiaries may be subject to certain statutory or contractual restrictions, are contingent upon the earnings of such subsidiaries and are subject to various business considerations.

Any right of the Company to receive assets of any of its subsidiaries upon their liquidation, reorganization or recapitalization (and the consequent right of the Holders of the Debt Securities to participate in those assets) will be effectively subordinated to the claims of the creditors and any preferred shareholders of the respective subsidiaries (which creditors would include trade creditors and in the future may include lenders of additional debt for borrowed money), except to the extent that the Company is itself recognized as a creditor of any

such subsidiary, in which case the claims of the Company would still be subordinated to any security interests in the assets of such subsidiary and any indebtedness of such subsidiary senior to that held by the Company.

Unless otherwise indicated in a Prospectus Supplement relating to any Offered Debt Securities, the covenants contained in the Indentures or the Offered Debt Securities would not afford Holders of the Offered Debt Securities protection in the event of a highly leveraged or other transaction involving the Company or its subsidiaries that may adversely affect the Holders.

GENERAL

The Debt Securities may be issued from time to time in separate series in amounts, at prices and on other terms to be determined at the time of sale. The Indentures will not limit the amount of Debt Securities which may be issued thereunder.

Reference is made to the Prospectus Supplement which will describe the following terms of the offered Debt Securities: (a) the title of the Offered Debt Securities; (b) classification of the Offered Debt Securities as Senior Debt Securities or Subordinated Debt Securities and any limit on the aggregate principal amount of the Offered Debt Securities; (c) whether the Offered Debt Securities are Convertible Debt Securities and, if so, the terms and conditions upon which conversion will be effected, including the initial conversion price or conversion rate, the conversion period and other conversion provisions in addition to or in lieu of those described herein; (d) the date or dates on which the Offered Debt Securities will mature and/or the method by which such date or dates will be determined; (e) the rate or rates (which may be fixed or variable) per annum at which the Offered Debt Securities will bear interest, if any, and the date from which such interest will accrue and/or the method by which such rate or rates will be determined; (f) the dates on which such interest, if any, will be payable and the Regular Record Dates for such Interest Payment Dates; (g) any mandatory or optional sinking fund or purchase fund or analogous provisions; (h) if applicable, the period or periods within which, or the date on which and the price or prices at which, the Offered Debt Securities may, pursuant to any optional or mandatory redemption provisions, be redeemed at the option of the Company or the Holder thereof and the other detailed terms and provisions of such optional or mandatory redemption; (i) the place or places of payment of principal of (and premium, if any) and interest, if any, on the Offered Debt Securities and the place or places where the Offered Debt Securities may be presented for transfer and, if applicable, conversion; (j) whether the Offered Debt Securities are issuable as Registered Securities, Bearer Securities or both, and the terms upon which Bearer Securities may be exchanged for Registered Securities; (k) special provisions relating to the issuance of any Bearer Securities of any series; (l) the currency in Dollars, Foreign Currency or any composite currency of any series in which the Offered Debt Securities will be denominated or in which principal (premium, if any) and interest, if any, in respect thereof may be payable; (m) any deletions from, changes in or additions to Events of Default or covenants of the Company in the applicable Indenture; (n) the form of Debt Securities and Coupons, if any; and (o) any other terms of the Offered Debt Securities. (Section 301 of the Indentures)

The Debt Securities will be issuable as Registered Securities, as Bearer Securities or both. Debt Securities of a series may be issuable in global form, as described below under "Global Securities." Unless the Prospectus Supplement relating thereto specifies otherwise, Registered Securities denominated in U.S. dollars will be issued only in denominations of \$1,000 or any integral multiple thereof, and Bearer Securities denominated in U.S. dollars will be issued only in denominations of \$5,000 or any integral multiple thereof. (Section 302 of the Indentures)

Debt Securities may be presented for exchange, and Registered Securities (other than a Book-Entry Security) may be presented for registration of transfer (with the form of transfer endorsed thereon duly executed), at the office of any transfer agent or at the office of the Security Registrar, without service charge and upon payments of any taxes and other governmental charges as described in the Indentures. Such registration of transfer or exchange will be effected upon the transfer agent or the Security Registrar, as the case may be, being satisfied with the documents of title and identity of the person making the request. (Section 305 of the Indentures) Bearer Securities will be transferable by delivery.

Debt Securities may be issued under the Indentures as Original Issue

Discount Securities to be offered and sold at a substantial discount from the principal amount thereof. If the Offered Debt Securities are Original Issue Discount Securities, the special Federal income tax, accounting and other considerations applicable thereto will be described in the Prospectus Supplement relating thereto. "Original Issue Discount Security" means any security which provides for an amount less than the principal amount thereof to be due and payable upon the declaration of acceleration of the maturity thereof upon the occurrence of an Event of Default and the continuation thereof. (Section 101 of the Indentures)

PAYMENT AND PAYING AGENTS

Unless otherwise indicated in an applicable Prospectus Supplement, payment of principal of (and premium, if any) and interest, if any, on Registered Securities will be made in the designated currency at the office of such Paying Agent or Paying Agents as the Company may designate from time to time, except that at the option of the Company payment of any interest may be made (i) by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register or (ii) by wire transfer to an account maintained by the Person entitled thereto as specified in the Security Register. Unless otherwise indicated in an applicable Prospectus Supplement, payment of any installment of interest on Registered Securities will be made to the Person in whose name such Registered Security is registered at the close of business on the Regular Record Date for such interest payment. (Sections 307 and 1002 of the Indentures)

Payment of principal of, premium, if any, and interest, if any, on Bearer Securities will be payable in the currency or composite thereof and in the manner designated in the Prospectus Supplement, subject to any applicable laws and regulations, at such paying agencies outside the United States as the Company may appoint from time to time. The Paying Agents outside the United States initially appointed by the Company for a series of Debt Securities will be named in the Prospectus Supplement. The Company may at any time designate additional Paying Agents or rescind the designation of any Paying Agents, except that, if Debt Securities of a series are issuable as Registered Securities, the Company will be required to maintain at least one Paying Agent in each Place of Payment for such series and, if Debt Securities of a series are issuable as Bearer Securities, the Company will be required to maintain a Paying Agent in a Place of Payment outside the United States where Debt Securities of such series and any Coupons appertaining thereto may be presented and surrendered for payment; provided that if the Debt Securities of such series are listed on The International Stock Exchange of the United Kingdom and the Republic of Ireland Limited or the Luxembourg Stock Exchange or any other stock exchange located outside the United States and such stock exchange shall so require, the Company will maintain a Paying Agent in London or Luxembourg or any other required city located outside the United States, as the case may be, for the Debt Securities of such series. (Section 1002 of the Indentures)

GLOBAL SECURITIES

The Debt Securities of a series may be issued in whole or in part in global form. A Debt Security in global form will be deposited with, or on behalf of, a Depositary, which will be identified in an applicable Prospectus Supplement. A Debt Security may be issued in either registered or bearer form and in either temporary or permanent form. A Debt Security in global form may not be transferred except as a whole by the Depositary for such Debt Security to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor of such Depositary or a nominee of such successor. If any Debt Security of a series is issuable in global form, the applicable Prospectus Supplement will describe the circumstances, if any, under which beneficial owners of interests in any such global Debt Security may exchange such interests for definitive Debt Securities of such series of like tenor and principal amount in any authorized form and denomination, the manner of payment of principal and interest, if any, on any such global Debt Security and the specific terms of the depositary arrangement with respect to any such global Debt Security. (Section 305 of the Indentures)

WAIVER, MODIFICATIONS AND AMENDMENT

The Holders of a majority in principal amount of the Outstanding Debt Securities of any particular series may waive past defaults with respect to such series. (Section 612 of the Indentures) The Holders of a majority in aggregate principal amount of the Outstanding Senior Debt Securities (voting as a class and not by individual series) under the Senior Indenture or, in case less than all of the several series of Outstanding Senior Debt Securities are affected, the Holders of a

majority in aggregate principal amount of the Outstanding Senior Debt Securities of each series affected (voting as a single class), may waive the Company's compliance with certain restrictive provisions of the Senior Indenture. (Section 1007 of the Senior Indenture) In order to determine the aggregate principal amount of any Outstanding Debt Securities not payable in U.S. dollars, the principal amount of the Debt Securities shall be deemed to be that amount of Dollars that could be obtained for such principal amount based on the spot rate of exchange for such Foreign Currency or such currency unit as determined by the Company or by an authorized exchange rate agent. (Section 101 of the Indentures)

Modification and amendment of an Indenture may be made by the Company and the applicable Trustee (i) with the consent of the Holders of a majority in aggregate principal amount of the Outstanding Debt Securities thereunder (voting as a class and not by individual series), or (ii) in case less than all of the several series of Debt Securities then Outstanding thereunder are affected by the modification or amendment, with the consent of the Holders of a majority in principal amount of the Outstanding Debt Securities of all series so affected (voting as a single class and not by individual series), provided that no such modification or amendment may, without the consent of the Holder of each Debt Security affected thereby: (a) change the Stated Maturity of the principal of, or any installment of principal of or interest, if any, on, any Debt Security; (b) reduce the principal amount of, or the rate of interest, if any, on, or any premium payable upon the redemption of, any Debt Security, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof; (c) change the currency of payment, or delete any country from Places of Payment, of principal or premium, if any, or interest, if any, on any Debt Security (other than any such country in which, in the good faith determination of the Board of Directors of the Company, the functions to be performed in the Places of Payment in such country are no longer practicably performable); (d) impair the right to institute suit for the enforcement of any payment on or with respect to any Debt Security; (e) if applicable, make any change that adversely affects the right to convert any Debt Security or (except as provided in the applicable Indenture) decrease the conversion rate or increase the conversion price of any Debt Security; (f) modify, in the case of the Subordinated Indenture, the provisions relating to the subordination of the Subordinated Debt Securities in a manner adverse to the Holders of the Subordinated Debt Securities; (g) reduce the percentages of Holders of Debt Securities of any particular series necessary to amend or supplement such Indenture or waive defaults or compliance as specified in this or the preceding paragraph; or (h) modify the foregoing requirements. Any modification or amendment which changes or eliminates any covenant or other provision of an Indenture which has expressly been included solely for the benefit of one or more particular series of Debt Securities, or which modifies the rights of the Holders of Debt Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under the applicable Indenture of the Holders of Debt Securities of any other series. (Section 902 of the Indentures)

EVENTS OF DEFAULT

The following events are Events of Default under the Indentures with respect to any particular series of Debt Securities issued thereunder: (a) default in payment of any principal of (or premium, if any, on) any Debt Security of that series, or default in the deposit of any sinking fund payment on any Debt Security of that series, when due; (b) default in the payment of any interest, if any, on any Debt Security of that series when due, continued for 30 days; (c) default in the performance, or breach, of any other covenant of the Company (other than a covenant included in the applicable Indenture solely for the benefit of series of Debt Securities other than the series in respect of which the Event of Default is being determined), continued for 90 days after written notice as provided in the Indentures; (d) certain events of bankruptcy, insolvency or reorganization under federal or state laws of the United States, involving the Company or a Significant Subsidiary; (e) acceleration of Indebtedness of the Company or any Significant Subsidiary aggregating more than \$20 million so that such Indebtedness becomes due prior to the date which the same would otherwise become due and payable, unless such acceleration is rescinded, annulled or otherwise cured; (f) final and nonappealable judgments or orders to pay, in the aggregate at any one time, more than \$20 million rendered by a court of competent jurisdiction against the Company or a Significant Subsidiary, continued for 90 days (during which execution shall not be effectively stayed or bonded) without discharge or reduction to \$20 million or less; and (g) any other Events of Default provided with respect to Debt Securities of that series. (Section 601 of the Indentures) As used in this paragraph,

the term "Significant Subsidiary" has the meaning ascribed to such term in Regulation S-X of the Commission as in effect on January __, 1998 (i.e., a subsidiary, together with its subsidiaries, that satisfies any of the following conditions, subject to certain exceptions: (i) the Company and its other subsidiaries' investments in and advances to the subsidiary exceed 20% of the total consolidated assets of the Company and its subsidiaries (such total consolidated assets being computed as of the end of the most recently completed fiscal year), (ii) the Company and its other subsidiaries' proportionate share of the total assets of the subsidiary exceeds 20% of the total consolidated assets of the Company and its subsidiaries (such total consolidated assets being computed as of the end of the most recently completed fiscal year) or (iii) the Company and its other subsidiaries' equity in the income from continuing operations before income taxes, extraordinary items and cumulative effect of a change in accounting principle of the subsidiary exceeds 20% of such consolidated income of the Company and its subsidiaries (such total consolidated income being computed as of the end of the most recently completed fiscal year).

If, with respect to Debt Securities of any series at the time Outstanding, an Event of Default shall occur and be continuing, then and in every such case (unless the principal of all the Debt Securities of that series shall have already become due and payable) the applicable Trustee or the Holders of at least 25% in principal amount of the Outstanding Debt Securities of that series may declare to be due and payable immediately by a notice in writing to the Company (and to the applicable Trustee if given by Holders) the entire principal amount, or, in the case of Original Issue Discount Securities, such portion of the principal amount as may be provided for in such Debt Securities, of all the Debt Securities of that series; provided that no such notice or declaration shall be required in the case of an Event of Default with respect to the Company referred to in clause (d) of the preceding paragraph. At any time after such declaration of acceleration has been made, but before a judgment or decree for payment of the money due has been obtained by the applicable Trustee, the Holders of a majority in principal amount of the Outstanding Debt Securities of that series, by written notice to the Company and the applicable Trustee, may, subject to certain conditions, rescind and annul such declaration and its consequences, if all payments due (other than those due as a result of acceleration) have been made and all other Events of Default have been cured or waived. (Section 602 of the Indentures)

No Holder of any Debt Securities of any particular series shall have any right to institute any proceeding with respect to the Indentures or for any remedy thereunder, unless such Holder previously shall have given to the applicable Trustee written notice of a default with respect to that series and unless the Holders of at least 25% of the principal amount of Outstanding Debt Securities of that series also shall have made written request upon the applicable Trustee, and have offered reasonable indemnity, to institute such proceeding as trustee, and the applicable Trustee shall not have received directions inconsistent with such request in writing by the Holders of a majority in principal amount of Outstanding Debt Securities of that series and shall have failed to institute such proceeding within 60 days. However, the right of any Holder of any Debt Security to enforce the payment of principal and interest due on such Debt Security on or after the dates expressed in such Debt Security, may not be impaired or affected. (Section 607 of the Indentures)

The Company will be required to furnish to each Trustee annually a statement as to the fulfillment by the Company of all of its obligations under the related Indenture.

The Trustee will, with certain exceptions, give the Holders notice of all Events of Default known to the Trustee, within 90 days after the occurrence thereof.

DEFEASANCE AND COVENANT DEFEASANCE

The Indentures provide, if such provision is made applicable to the Debt Securities of any series pursuant to Section 301 of the applicable Indenture, that the Company may elect under certain conditions either (A) to defease and be discharged from any and all obligations with respect to such Debt Securities (except as otherwise provided in the applicable Indenture) ("defeasance") or (B) with respect to any such series of Senior Debt Securities, to be released from its obligations with respect to such Senior Debt Securities described below under "Restrictions on Liens," and "Restrictions on Sale and Leaseback Transactions," ("covenant defeasance") upon the irrevocable deposit with the applicable Trustee, in trust for such purpose, of money, and/or U.S. Government Obligations and/or, if so specified with respect to such series, Foreign Government

Securities (each as defined) which through the payment of principal and interest in accordance with their terms will provide money in an amount sufficient to pay the principal of (and premium, if any) and interest, if any, on such Debt Securities, and any mandatory sinking fund or analogous payments thereon, on the scheduled due dates therefor. Such a trust may only be established if, among other things, the Company has delivered to the applicable Trustee an Opinion of Counsel to the effect that (i) the Holders of such Debt Securities will not recognize income, gain or loss, for Federal income tax purposes as a result of such defeasance or covenant defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance or covenant defeasance had not occurred (such opinion, in the case of defeasance under clause (A) above, must refer to and be based upon a ruling of the Internal Revenue Service) and (ii) if the deposit referred to above shall include U.S. Government Obligations or Foreign Government Securities, such deposit shall not result in the Company, the Trustee or such trust being regulated as an "investment company," under the Investment Company Act of 1940. (Article Five of the Indentures) The Prospectus Supplement may further describe the provisions, if any, permitting such defeasance or covenant defeasance with respect to Debt Securities of a particular series.

CONSOLIDATION, MERGER, SALE OR CONVEYANCE

Under each Indenture, a consolidation or merger of the Company with or into another corporation, or the sale, conveyance or lease of all or substantially all of the Company's property to another corporation is permitted provided that (i) the Person (if other than the Company) is a corporation organized under the laws of the United States or any state thereof; (ii) the corporation (if other than the Company) assumes payment of the principal of (and premium, if any) and interest, if any, on the Outstanding Debt Securities and Coupons and the performance and observance of all the covenants and conditions of such Indenture; (iii) the corporation (if other than the Company) delivers to the applicable Trustee a supplemental indenture providing for preservation of conversion rights, if any; and (iv) the Company shall have delivered to the applicable Trustee an Officers' Certificate and an Opinion of Counsel, each stating that the consolidation, merger, sale, conveyance or lease and such supplemental indenture comply with Article Eight of the applicable Indenture and that all conditions precedent therein provided for relating to such transaction have been complied with. In addition, in the case of Senior Debt Securities, if, upon or as a result of any such consolidation, merger, sale, conveyance or lease, or upon any acquisition by the Company by purchase or otherwise of all or any part of the properties of any other Person, any Principal Property or any shares of capital stock or indebtedness of any Restricted Subsidiary owned by the Company or any Restricted Subsidiary immediately prior thereto would thereupon become subject to any mortgage, security interest, pledge or lien or encumbrance not permitted by the covenant described under "Provisions Applicable Solely to Senior Debt Securities -- Restrictions on Liens," the Company immediately prior to such consolidation, merger, sale, conveyance, lease or acquisition shall, by supplemental indenture, secure the due and punctual payment of the principal of, and premium, if any, and interest, if any, on the Senior Debt Securities then outstanding (equally and ratably with any other indebtedness entitled thereto immediately following such transaction). (Section 801 of the Indentures and Section 803 of the Senior Indenture)

CONVERSION

The Indentures may provide for a right of conversion (or mandatory conversion at the option of the Company) of Debt Securities into Common Stock (or cash in lieu thereof). The following provisions will apply to Debt Securities that are Convertible Debt Securities unless otherwise provided in the Prospectus Supplement for such Debt Securities.

The Holder of Convertible Debt Securities which are convertible at the option of the holder will have the right exercisable at the time or times described in the Prospectus Supplement, unless such Convertible Debt Securities are previously redeemed or otherwise purchased by the Company, to convert such Convertible Debt Securities into shares of Common Stock at the conversion price set forth in the Prospectus Supplement, subject to adjustment. The Holder of such Convertible Debt Securities may convert any portion thereof which is \$1,000 in principal amount or any integral multiple thereof, except as otherwise specified in the Prospectus Supplement. The Holder of any Convertible Debt Securities which are mandatorily convertible into shares of Common Stock at the option of the Company will receive, upon the exercise of such option by the Company, in exchange for such Convertible Debt Securities, shares of Common Stock upon the terms, and subject to the conditions, set forth in the applicable Prospectus Supplement. (Section 402 of the Indentures)

In certain events, the conversion price will be subject to adjustment as set forth in the Indentures. Such events include the issuance of shares of Common Stock of the Company as a dividend or distribution on the Common Stock; subdivisions, combinations and reclassifications of the Common Stock; the issuance generally to holders of Common Stock of rights, options or warrants entitling the holders thereof (for a period not exceeding 45 days) to subscribe for or purchase shares of Common Stock at a price per share less than the then current market price per share of Common Stock (as defined in the Indentures); and the distribution generally to holders of Common Stock of evidences of indebtedness, equity securities (including equity interests in the Company's subsidiaries) other than Common Stock, or other assets (excluding cash dividends paid from earned surplus or current net earnings but including Extraordinary Cash Dividends) or subscription rights or options or warrants entitling holders to subscribe for securities (other than those referred to above). In cases where the fair market value of the portion of assets, debt securities or rights, warrants or options to purchase securities of the Company applicable to one share of Common Stock distributed to shareholders exceeds the current market price per share of Common Stock, or such current market price exceeds such fair market value of such portion of assets, debt securities or right, warrants or options so distributed by less than \$1.00, rather than being entitled to an adjustment in the Conversion Rate, the Holder of a Convertible Debt Security upon conversion thereof will be entitled to receive, in addition to the shares of Common Stock into which such Convertible Debt Security is convertible, the kind and amounts of assets, debt securities or rights, options or warrants comprising the distribution that such Holder would have received if such Holder had converted such Convertible Debt Security immediately prior to the record date for determining the shareholders entitled to receive the distribution. No adjustment of the conversion price will be required unless an adjustment would require a cumulative increase or decrease of at least 1% in such price; provided, however, that any adjustments not made because of such provision will be carried forward and taken into account in any subsequent adjustment. (Section 404 of the Indentures)

With respect to the Rights distributed under the Company's Rights Plan described below under "Certain AntiTakeover Provisions," and/or in the event that the Company distributes any other rights or warrants (other than those referred to in the preceding paragraph) ("Additional Rights") pro rata to holders of Common Stock, so long as any such Rights or Additional Rights have not expired or been redeemed, the Holder of any Convertible Debt Security surrendered for conversion will be entitled to receive upon such conversion, in addition to the shares of Common Stock issuable upon such conversion (the "Conversion Shares"), a number of Rights or Additional Rights to be determined as follows: (i) if such conversion occurs on or prior to the date for the distribution to the holders of Rights or Additional Rights of separate certificates evidencing such Rights or Additional Rights (the "Distribution Date"), the same number of Rights or Additional Rights to which a holder of a number of shares of Common Stock equal to the number of Conversion Shares is entitled at the time of such conversion in accordance with the terms and provisions applicable to the Rights or Additional Rights and (ii) if such conversion occurs after such Distribution Date, the same number of Rights or Additional Rights to which a holder of the number of shares of Common Stock into which such Convertible Security was convertible immediately prior to such Distribution Date would have been entitled to receive on such Distribution Date in accordance with the terms and provisions of and applicable to the Rights or Additional Rights. The conversion price of the Convertible Debt Securities will not be subject to adjustment on account of any declaration, distribution or exercise of such Rights or Additional Rights. (Section 404 of the Indentures)

Fractional shares of Common Stock will not be issued upon conversion, but, in lieu thereof, the Company will pay a cash adjustment based on the then current market price for the Common Stock. (Section 403 of the Indentures) Upon conversion, no payments or adjustments will be made for accrued interest on Convertible Debt Securities or dividends. A Convertible Debt Security surrendered for conversion between the record date for an interest payment and the interest payment date (except a Convertible Debt Security called for redemption on a redemption date during such period) must be accompanied by payment of an amount equal to the interest which the registered Holder is to receive thereon (or the portion thereof to be converted) and interest payable on such interest payment date shall, notwithstanding such conversion, be payable on such interest payment date to the Holder on such record date. (Sections 307 and 402 of the Indenture)

In the case of any consolidation or merger of the Company with or into any other person (with certain exceptions) or any sale or transfer

of all or substantially all the assets of the Company, the Holder of Convertible Debt Securities, after the consolidation, merger, sale or transfer, will have the right to convert such Convertible Debt Securities only into the kind and amount of securities, cash and other property which the Holder would have been entitled to receive upon such consolidation, merger, sale or transfer, if the Holder had held the Common Stock issuable upon conversion of such Convertible Debt Securities immediately prior to such consolidation, merger, sale or transfer. (Section 405 of the Indentures)

PROVISIONS APPLICABLE SOLELY TO SENIOR DEBT SECURITIES

General. Senior Debt Securities will be issued under the Senior Indenture and will rank pari passu with all other unsecured and unsubordinated debt of the Company.

Certain Definitions. For purposes of the following discussion, the following definitions are applicable. (Article One of the Senior Indenture)

"Attributable Debt" in respect of a Sale and Leaseback Transaction means, as of any particular time, the present value (discounted at the rate of interest implicit in the terms of the lease involved in such Sale and Leaseback Transaction, as determined in good faith by the Company) of the obligation of the lessee thereunder for rental payments during the remaining term of such lease.

"Consolidated Net Tangible Assets" means, as determined at any time, the aggregate amount of assets included on a consolidated balance sheet of the Company and its Subsidiaries (less applicable reserves), after deducting therefrom (a) all current liabilities of the Company and its Subsidiaries (which includes current maturities of long-term indebtedness) and (b) the total of the net book values of all assets of the Company and its Subsidiaries properly classified as intangible assets under generally accepted accounting principles, in each case as of the end of the last fiscal quarter for which financial information is available at the time of such calculation.

"Funded Debt" means all indebtedness which by its terms matures more than 12 months after the time of the computation of the amount thereof or which is extendible or renewable at the option of the obligor on such indebtedness to a time more than 12 months after the time of the computation of the amount thereof or which is classified, in accordance with generally accepted accounting principles in effect on January 1, 1998, on a corporation's balance sheet as long-term debt.

"Principal Property" means any real property, manufacturing plant, warehouse, office building or other physical facility or other like depreciable physical assets of the Company or of any Subsidiary, whether owned at or acquired after the date of the Senior Indenture, having a net book value at the time of the determination in excess of the greater of 5% of Consolidated Net Tangible Assets or \$25 million other than, in each case, any of the same which in the good faith opinion of the Board of Directors of the Company is not of material importance to the total business conducted by the Company and its Subsidiaries as a whole. As of the date of this Prospectus none of the Company's assets constitute Principal Property as defined above.

"Sale and Leaseback Transaction" means any arrangement with any Person providing for the leasing or use by the Company or any Subsidiary of any Principal Property, whether owned at the date of the Indenture or thereafter acquired (except for temporary leases of a term, including any renewal period, of not more than three years), which Principal Property has been or is to be sold or transferred by the Company or a Subsidiary to a Person with an intention of taking back a lease of such property.

"Secured Debt" means indebtedness (other than indebtedness among the Company and its Subsidiaries) for money borrowed by the Company or a Subsidiary which is secured by (a) a mortgage or other lien on any Principal Property or (b) a pledge, lien or other security interest on any shares of stock or evidences of indebtedness of a Subsidiary. If any amount of such indebtedness described in the parenthetical in the preceding sentence and held by the Company or a Subsidiary is transferred in any manner to any Person other than the Company or a Subsidiary, such amount shall be deemed to be Secured Debt issued on the date of transfer.

"Subsidiary" means any corporation of which the Company, or the Company and one or more Subsidiaries, or any one or more Subsidiaries, directly or indirectly own a majority (by number of votes) of the outstanding voting securities having voting power under ordinary circumstances to elect the directors of such corporation.

Restrictions on Liens. The Company and its Subsidiaries are prohibited from creating, incurring, assuming or guaranteeing any Secured Debt without, so long as any such indebtedness shall be so secured, securing the Senior Debt Securities of such series and any other indebtedness of or guaranteed by the Company or any such Subsidiary then entitled thereto equally and ratably with or, at the option of the Company, prior to such Secured Debt. The foregoing restrictions are not applicable to (i) any mortgage, security interest, pledge, lien or encumbrance on any property hereafter acquired, improved or constructed by the Company or a Subsidiary and created within 180 days after such acquisition (or, in the case of property constructed or improved, within 180 days after the completion and commencement of commercial operation of such property) to secure or provide for the payment of all or any part of the purchase or construction price of such property, (ii) any mortgage, security interest, pledge, lien or encumbrance existing on property at the time of acquisition by the Company or a Subsidiary, (iii) any mortgage, security interest, pledge, lien or encumbrance existing on the property or on the outstanding shares of indebtedness of a corporation at the time it becomes a Subsidiary (but not created in anticipation of the transaction in which such corporation becomes a Subsidiary), (iv) any mortgage, security interest, pledge, lien or encumbrance on the property, shares or indebtedness of a corporation existing at the time such corporation is merged or consolidated with the Company or a Subsidiary or at the time of a sale, lease or other disposition of the properties of a corporation or firm as an entirety or substantially as an entirety to the Company or a Restricted Subsidiary (but not created in anticipation of any such transaction), (v) any mortgage, security interest, pledge, lien or encumbrance in favor of governmental bodies to secure certain payments of indebtedness or (vi) extensions, renewals or replacements of the foregoing. (Section 1009 of the Senior Indenture).

Notwithstanding the foregoing restrictions, the Company and any one or more Subsidiaries may create, incur, assume or guarantee Secured Debt (including, for purposes of this paragraph, pursuant to a transaction to which the covenant described in the second sentence under "Consolidation, Merger, Sale or Conveyance" applies) not otherwise permitted or excepted without equally and ratably securing the Senior Debt to the extent that the sum of (a) the amount of all Secured Debt then outstanding (other than Secured Debt referred to in the immediately preceding paragraph and Secured Debt deemed outstanding under the second sentence of "Consolidation, Merger, Sale or Conveyance" in connection with which the Company secures obligations on the Senior Debt Securities then outstanding in accordance with the provisions of such second sentence after giving effect thereto) plus (b) the amount of Attributable Debt in respect of Sale and Leaseback Transactions (other than Sale and Leaseback Transactions in respect of which amounts equal to the Attributable Debt relating to the transactions shall have been applied, within 180 days after the effective date of such Sale and Leaseback Transaction, to the prepayment or retirement of Senior Debt Securities or certain other indebtedness for money borrowed which was recorded as Funded Debt of the Company or a Subsidiary and Sale and Leaseback Transactions in which the property involved would have been permitted to be subjected to a mortgage, security interest, pledge, lien or encumbrance as described in the last sentence of the preceding paragraph), does not at the time exceed the greater of 10% of Consolidated Net Tangible Assets or \$100 million. (Section 1009 of the Senior Indenture)

Restrictions on Sale and Leaseback Transactions. Sale and Leaseback Transactions by the Company or any Subsidiary of any Principal Property are prohibited unless at the effective time of such Sale and Leaseback Transaction (a) the Company or such Subsidiary would be entitled, without equally and ratably securing the Senior Debt Securities, to incur Secured Debt secured by a mortgage or security interest on the Principal Property to be leased pursuant to "Restrictions on Secured Debt" above, or (b) the Company or such Restricted Subsidiary would be entitled, without equally and ratably securing the Senior Debt Securities, to incur Secured Debt in an amount at least equal to the Attributable Debt in respect of such Sale and Leaseback Transaction, or (c) the Company shall apply an amount equal to such Attributable Debt, within 180 days after the effective date of such Sale and Leaseback Transaction, to the prepayment or retirement of Senior Debt Securities or certain other indebtedness for borrowed money which was recorded as Funded Debt of the Company and its Subsidiaries, including the prepayment or retirement of any mortgage, lien or other security interest in such Principal Property existing prior to such Sale and Leaseback Transaction. The aggregate principal amount of such Senior Debt Securities or such other indebtedness required to be so retired will be reduced by the aggregate principal amount of (a) any Senior Debt Securities delivered within 180 days after the effective date of any such Sale and Leaseback Transaction to the Trustee for retirement and (b) such other indebtedness retired by the Company or a Subsidiary within 180 days

after the effective date of such Sale and Leaseback Transactions.
(Section 1011 of the Senior Indenture)

PROVISIONS APPLICABLE SOLELY TO SUBORDINATED DEBT SECURITIES

Subordination. The indebtedness evidenced by the Subordinated Debt Securities will be subordinate in right of payment to the extent set forth in the Subordinated Indenture to all existing and future Senior Indebtedness (as defined below) of the Company. Upon any distribution of assets of the Company in any dissolution, winding down, liquidation or reorganization of the Company (whether in an insolvency or bankruptcy proceeding or otherwise), payment in full must be made on such Senior Indebtedness before any payment is made on or in respect of the Subordinated Debt Securities. Upon the happening and during the continuance of a default in payment of principal of or sinking fund installments, if any, due with respect to, or interest on, any Senior Indebtedness, no payment of principal, interest or premium, if any, may be made by the Company upon or in respect of the Subordinated Debt Securities unless and until such default shall have been remedied, nor shall any such payment be made if after giving effect, as if paid, to such payment any such default would exist. No such subordination will prevent the occurrence of any Event of Default. (Sections 1302 and 1303 of the Subordinated Indenture)

"Senior Indebtedness" means the principal of and premium, if any, and interest (whether accruing before or after filing of any petition in bankruptcy or any similar proceeding by or against the Company) on any Indebtedness of the Company, whether outstanding on the date of issuance of the applicable series of Subordinated Debt Securities or thereafter incurred, assumed or guaranteed; excluding, however, (i) the Subordinated Debt Securities, (ii) any Indebtedness of the Company which, by its terms or the terms of the instrument creating or evidencing it, is subordinate in right of payment to or *pari passu* with the Subordinated Debt Securities. "Indebtedness" means (1) any liability of any Person (a) for borrowed money, (b) evidenced by a note, debenture or similar instrument (including an obligation with or without recourse) issued in connection with the acquisition (whether by way of purchase, merger, consolidation or otherwise) of any business, real property or other assets (other than inventory or similar property acquired in the ordinary course of business) or (c) for the payment of money relating to a Capital Lease Obligation (as defined in the Subordinated Indenture); (2) any liability of others described in the preceding clause (1) which the Person has guaranteed or which is otherwise its legal liability or (3) any amendment, renewal, extension or refunding of any such liability.

The Indentures do not limit the amount of additional Indebtedness, including Senior Indebtedness or Indebtedness ranking *pari passu* with the Subordinated Debt Securities, which the Company or any Subsidiary can create, incur, assume or guarantee. As a result of these subordination provisions and the requirement that certain payments be paid over to Holders of Senior Indebtedness, in the event of insolvency, Holders of the Subordinated Debt Securities may recover less ratably than general creditors of the Company. (Section 1302 of the Subordinated Indenture)

DESCRIPTION OF CAPITAL STOCK

The following statements with respect to the capital stock of the Company are subject to the detailed provisions of the Company's articles of incorporation, as amended (the "Articles of Incorporation"), and by-laws, as amended (the "By-Laws"). These statements do not purport to be complete, or to give full effect to the provisions of statutory or common law, and are subject to, and are qualified in their entirety by reference to, the terms of the Articles of Incorporation and the By-Laws. The Articles of Incorporation and the By-Laws are hereby incorporated herein by reference.

GENERAL

The authorized capital stock of the Company consists of 300,000,000 shares of Common Stock, par value \$.50 per share, and 5,000,000 shares of Preference Stock, par value \$2.50 per share (the "Preference Stock"). The Company's Articles of Incorporation authorize the Company's Board of Directors (the "Board of Directors") to provide for the issuance, from time to time, of series of Preference Stock, to establish the number of shares to be included in any such series and to fix the designations, powers, preferences and rights of the shares of each such series and any qualifications, limitations or restrictions thereof. No shares of Preference Stock are outstanding as of the date hereof. However, 100,000 shares of Series B Junior Participating Preference Stock, par value \$2.50 per share, of the Company (the "Junior Preference Stock") have been

authorized and reserved for issuance in connection with the preference stock purchase rights (the "Rights") described in "Description of Rights and Junior Preference Stock."

VOTING RIGHTS

Each holder of Common Stock is entitled to one vote for each share registered in his name on the books of the Company on all matters submitted to a vote of shareholders. Except as otherwise provided by law, the holders of Common Stock vote as one class. The shares of Common Stock do not have cumulative voting rights. As a result, subject to the voting rights, if any, of the holders of any shares of Preference Stock which may at the time be outstanding, the holders of Common Stock entitled to exercise more than 50% of the voting rights in an election of directors can elect 100% of the directors to be elected in a particular year if they choose to do so. In such event, the holders of the remaining Common Stock voting for the election of directors will not be able to elect any persons to the Board of Directors.

DIVIDEND RIGHTS

Subject to the rights of the holders of outstanding Preference Stock, if any, the holders of Common Stock are entitled to such dividends as the Board of Directors may declare out of funds legally available therefor.

LIQUIDATION RIGHTS AND OTHER PROVISIONS

Subject to the prior rights of creditors and the holders of outstanding Preference Stock, if any, the holders of the Common Stock are entitled in the event of liquidation, dissolution or winding up to share pro rata in the distribution of all remaining assets.

The Common Stock is fully paid and is not liable to any calls or assessments and is not convertible into any other securities. There are no redemption or sinking fund provisions applicable to the Common Stock, and, in accordance with the Rhode Island Business Corporation Act and the Articles of Incorporation, there are no preemptive rights.

BankBoston, N.A. acts as transfer agent and registrar for the Common Stock.

DIRECTORS' LIABILITY

The Articles of Incorporation provide that, to the fullest extent permitted by the Rhode Island Business Corporation Act, a director of the Company shall not be personally liable to the Company or its shareholders for monetary damages for any breach of the director's fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Company or its shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) in respect of certain unlawful dividend payments or stock purchases or (iv) for any transaction from which the director derived an improper personal benefit (other than such transactions permitted under Section 7-1.1-37 of the Rhode Island Business Corporation Act). In addition, the By-Laws include certain provisions whereby directors and officers of the Company generally shall be indemnified against certain liabilities to the fullest extent permitted or required by the Rhode Island Business Corporation Act.

CERTAIN ANTI-TAKEOVER PROVISIONS

The provisions of the Articles of Incorporation summarized in the succeeding paragraphs could have an anti-takeover effect. These provisions are intended to enhance the likelihood of continuity and stability in the composition of the Board of Directors and in the policies formulated by the Board of Directors. They may, however, delay, defer or prevent a tender offer or takeover attempt that a shareholder might consider in such shareholder's best interest, including those attempts that might result in a premium over the market price for the shares held by shareholders.

The Board of Directors is divided into three classes that are elected for staggered three-year terms. Directors can be removed from office only for cause and, with certain exceptions, only with the approval of a majority vote of the entire Board of Directors or by the affirmative vote of holders of a majority of the then outstanding shares of capital stock of the Company entitled to vote for such directors. Vacancies on the Board of Directors may be filled only by the remaining directors and not by the shareholders.

Pursuant to the Articles of Incorporation, the Board of Directors by resolution may establish one or more series of Preference Stock having such number of shares, designation, relative voting rights, dividend rates, liquidation and other rights, preferences and limitations as may be fixed by the Board of Directors without any further shareholder approval. Such rights, preferences, privileges and limitations as may be established could have the effect of impeding or discouraging the acquisition of control of the Company.

The Articles of Incorporation also provide that any action required or permitted to be taken by the shareholders of the Company may be effected only at an annual or special meeting of shareholders, or by the unanimous written consent of shareholders.

The Articles of Incorporation require (i) an 80% vote of all outstanding Company shares entitled to vote, including a majority vote of all disinterested shareholders, (ii) the approval of a majority of the entire Board of Directors, including the affirmative vote of a majority of the "Continuing Directors" (as defined in the Articles of Incorporation), and (iii) the satisfaction of certain procedural requirements which are intended to assure that shareholders are treated fairly under the circumstances, in order to approve certain extraordinary corporate transactions (such as a merger, consolidation or sale of all or substantially all assets) with an Interested Person. The 80% vote will not be required and, in accordance with the Rhode Island Business Corporation Act, only a majority vote of shareholders will generally be required if such a transaction is approved by a majority of the entire Board of Directors, including the affirmative vote of at least two-thirds of the Continuing Directors.

The Rights attach to all certificates representing outstanding shares of Common Stock and will attach to any shares of Common Stock which are issued by the Company upon conversion of any Convertible Debt Securities. The Rights will separate from the Common Stock and a Distribution Date will occur upon the earlier of (i) 10 days following a public announcement that a person or group of affiliated or associated persons (other than as described below) has acquired beneficial ownership of 20% or more of the outstanding shares of Common Stock (an "Acquiring Person") or (ii) 10 business days (or such later date as may be determined by action of the Board of Directors prior to such time as any Person (other than the Company, any subsidiary of the Company or any employee benefit plan of the Company or any subsidiary) becomes an Acquiring Person) following the commencement of, or announcement of an intention to make, a tender offer or exchange offer, the consummation of which would result in a Person becoming an Acquiring Person. The term "Acquiring Person" does not include the Company, any subsidiary of the Company, any employee benefit plan of the Company or of any subsidiary or the Hassenfeld Group (which includes the Chairman and Chief Executive Officer of the Company, a director of the Company and certain other members of the Hassenfeld Family and certain related entities).

The Rights are not exercisable until the Distribution Date, if any, and will expire on June 30, 1999 (the "Final Expiration Date"), unless the Final Expiration Date is extended or unless the Rights are earlier exchanged or redeemed by the Company, in each case, as described below.

In the event that the Company is acquired in a merger or other business combination transaction or 50% or more of the consolidated assets or earning power is sold, proper provision will be made so that each holder of a Right will thereafter have the right to receive, upon the exercise thereof at the then current exercise price of the Right, that number of shares of common stock of the acquiring company which at the time of such transaction will have a market value of two times the exercise price of the Right. In the event that any person becomes an Acquiring Person, each holder of a Right will thereafter have the right to receive upon exercise that number of shares of Common Stock having a market value of two times the exercise price of the Right. From and after the occurrence of such event, any Rights that are or were acquired or beneficially owned by any Acquiring Person (or any Associate or Affiliate) shall be void and any holder of such Rights shall thereafter have no right to exercise such Rights.

At any time after a person becomes an Acquiring Person and prior to the acquisition by a person or group of 50% or more of the outstanding shares of Common Stock, the Board of Directors may exchange the Rights (other than Rights owned by such person or group which have become void), in whole or in part, at an exchange ratio of one share of Common Stock per Right (subject to adjustment).

At any time prior to the time at which there is an Acquiring Person,

the Board of Directors may redeem the Rights in whole, but not in part, at a price of \$.00444 per Right. The redemption of the Rights may be made effective at such time on such basis and with such conditions as the Board of Directors in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate, and the only right of the holders of Rights will be to receive the Redemption Price.

The Board of Directors has the ability, after the Rights become exercisable for Common Stock, to substitute a Common Stock equivalent Preference Stock in the event the Company is not able to authorize sufficient shares of Common Stock. In addition, there is an exception to the provisions governing the triggering of the Rights that would exempt a person or group that the Board of Directors determines in good faith would otherwise have triggered the Rights inadvertently, so long as the person or group, as promptly as practicable, divests sufficient stock to bring its ownership below the triggering threshold.

The terms of the Rights may be amended by the Company without the consent of the holders of the Rights, including an amendment to lower the threshold for exercisability of the Rights from 20% to not less than 10%; provided, however, that if any Person becomes an Acquiring Person, the Rights may not be amended in any manner that would adversely affect the interests of the holders of the Rights. In addition, if any Person then beneficially owns in excess of 10% of the shares of Common Stock of the Company, any such amendment shall provide that any such Person shall not become an Acquiring Person and no Distribution Date shall occur as a result of any such Person's beneficial ownership of Common Stock shares, unless, in any such case, any such Person shall thereafter become the beneficial owner of either (i) an additional 1% of the shares of the Common Stock of the Company then outstanding or (ii) 20% or more of the shares of Common Stock of the Company then outstanding (provided that if a Person becomes the Beneficial Owner of 20% or more of the shares of Common Stock of the Company then outstanding by reason of share purchases by the Company, this condition shall be deemed not to be satisfied as long as such Person does not thereafter become the Beneficial Owner of any additional shares of Common Stock).

Until a Right is exercised, the holder thereof, as such, will have no rights as a shareholder of the Company, including, without limitation, the right to vote or to receive dividends.

JUNIOR PREFERENCE STOCK

In connection with the Rights Agreement, 100,000 shares of Junior Preference Stock have been reserved and authorized for issuance by the Board of Directors. No shares of Junior Preference Stock are outstanding as of the date of this Prospectus. The following statements with respect to the Junior Preference Stock do not purport to be complete and are subject to, and are qualified in their entirety by reference to, the detailed provisions of the Articles of Incorporation and the Certificate of Designation relating to the Junior Preference Stock (the "Certificate of Designation"), which is incorporated herein by reference. Capitalized terms used herein and not otherwise defined shall have the meanings given to them in the Certificate of Designation.

Shares of Junior Preference Stock purchasable upon exercise of the Rights will not be redeemable. Each share of Junior Preference Stock will be entitled to a minimum preferential quarterly dividend payment of \$10 per share but will be entitled to an aggregate dividend of 1,000 times the dividend declared per share of Common Stock. In the event of liquidation, the holders of the Junior Preference Stock will be entitled to a minimum preferential liquidation payment of \$1,000 per share but will be entitled to an aggregate payment of 1,000 times the payment made per share of Common Stock. Each share of Junior Preference Stock will have 1,000 votes, voting together with the Common Stock. In the event of any merger, consolidation or other transaction in which shares of Common Stock are exchanged, each share of Junior Preference Stock will be entitled to receive 1,000 times the amount received per share of Common Stock. These rights are subject to proportionate adjustment in the event of certain stock splits, recombinations and other events.

PLAN OF DISTRIBUTION

General. The Company may sell Debt Securities directly or to or through one or more underwriters, agents or dealers who will be named in the Prospectus Supplement or an underwriting syndicate, represented by one or more managing underwriters, that would be named in the Prospectus Supplement relating to an issue of Offered Debt Securities.

The distribution of the Debt Securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, or at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Registrant is incorporated in Rhode Island. Under Section 7-1.1-4.1 of the Rhode Island Business Corporation Act, a Rhode Island corporation has the power, under specified circumstances, to indemnify its officers, directors, employees and agents against judgments, penalties, fines, settlements and reasonable expenses, including attorneys' fees, actually incurred by them in connection with any proceeding to which such persons were made parties by reason of the fact that such persons are or were directors, officers, employees or agents, if (a) such persons shall have acted in good faith, (b) they reasonably believed that their actions were in the best interests of the corporation (if such proceeding involves conduct in an official capacity with the corporation) or not opposed to the best interests of the corporation (if such proceeding involves conduct other than in an official capacity with the corporation), and (c) in criminal proceedings, they had no reasonable cause to believe that their conduct was unlawful. The foregoing statement is subject to the detailed provisions of 7-1.1-4.1 of the Rhode Island Business Corporation Act.

Article X of the By-Laws of the Registrant provides that the Registrant shall indemnify its directors and officers to the full extent permitted by Section 7-1.1-4.1 of the Rhode Island Business Corporation Act.

Section 7-1.1-48 of the Rhode Island Business Corporation Act provides that articles of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 7-1.1-43 (relating to liability for unauthorized acquisitions or redemptions of, or dividends or distribution on, capital stock) of the Rhode Island Business Corporation Act, or (iv) for any transaction from which the director derived an improper personal benefit (unless said transaction is permitted by Section 7-1.1-37.1 (relating to director conflicts of interest) of the Rhode Island Business Corporation Act). Article Thirteenth of the Registrant's Articles of Incorporation contains such a provision.

Section 7-1.1-4.1(j) of the Rhode Island Business Corporation Act empowers a Rhode Island corporation to purchase and maintain insurance on behalf of its current and prior directors, officers, employees and agents against any liability incurred or asserted against them as a result of their official capacities, whether or not the corporation would have the power to indemnify such person against the insured liability under the provisions of such Section. The Registrant has a directors and officers liability insurance policy.

The Registrant has entered into an indemnification agreement with each of its directors, whereby the Registrant has agreed to indemnify each such director for amounts which the director is legally obligated to pay, including judgments, settlements of fines (including certain related expenses to be advanced by the Registrant), due to any actual or alleged breach of duty, neglect, error, misstatement, misleading statement or other act or omission by a director in his capacity as a director, excluding claims (a) covered by the Registrant's directors and officers liability insurance policy, (b) for which the director is otherwise indemnified or reimbursed, (c) relating to certain judgments or adjudications under which the director is liable for breaches of duty of loyalty, acts or omissions not in good faith or involving intentional misconduct or involving knowing violations of law, actions or certain transactions from which the director derives an improper personal benefit, (d) relating to the director's liability for accounting for profits under Section 16 of the Securities Exchange Act of 1934, as amended, (e) in respect of remuneration, if found unlawful, and (f) as to which a final and non-appealable judgement has determined that payment to the director thereunder is unlawful.

In addition, the Underwriting Agreement will provide for indemnification of directors and officers of the Registrant under certain circumstances.

ITEM 17. UNDERTAKINGS

The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Act:

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration

Statement or any material change to such information in this Registration Statement;

provided, however, that the undertakings set forth in paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") that are incorporated by reference in this Registration Statement.

2. That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered hereby which remain unsold at the termination of the offering.

4. That, for purposes of determining any liability under the Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5. To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act") in accordance with the rules and regulations prescribed by the Securities and Exchange Commission under Section 305(b)(2) of the Trust Indenture Act.

Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted against the Registrant by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Pawtucket, State of Rhode Island, on the 12th day of January, 1998.
